

ERRATA

In: 2020;23;E41-E49 "An Analysis of Biomarkers in Patients with Chronic Pain," the following information was left off the manuscript:

Conflict of interest: Dr. Joshua Gunn is Chief Scientific Officer and co-founder (part owner) of Ethos Research & Development. Dr. Gunn also has a patent pending application relating to the use of pain biomarkers. Dr. Timothy Deer is a consultant for Ethos, Abbott, Vertos, Flowonix, Axonics, SpineThera, Saluda, Mainstay, Nalu, Vertiflex, and Cornerlock. Dr. Deer also has a patent pending on DRG leads.

In the letter Re: "Effectiveness Analysis of Percutaneous Kyphoplasty Combined with Zoledronic Acid in Treatment of Primary Osteoporotic Vertebral Compression Fractures," the first author missing from list of authors:

Dr. Mehrdad Taheri, Assistant Professor of Anesthesiology & Pain Fellowship, Shahid Beheshti University of Medical Sciences, Tehran, Iran.
taheri.1352@yahoo.com

In the manuscript: "In Comparative Study of Chronic Postischemic Pain Models in Mice: O-Ring Versus Tie Method"(Pain Physician 2020; 23:E51-E60) the authors would like to add the following statement: Both Hue Jung Park and Sie Hyeon Yoo both contributed equally to this paper.

In the letter: "Finding Suitable Alternatives to Opioids for Postoperative Pain Control" (Pain Physician 2020;23;E69-E70), an author's name was left off the letter.

Omar Viswanath, MD.

Valley Anesthesiology and Pain Consultants

Associate Clinical Professor of Anesthesiology, Creighton University School of Medicine

Clinical Assistant Professor of Anesthesiology, University of Arizona College of Medicine - Phoenix
